

PUBLIC NOTICE No. 5

concerning

**Award of Individual Mobile Telecommunications Licences and associated
Frequency Licences for the delivery of mobile telecommunications services in
the 900, 1800, 2100 and 2600 MHz bands in the Kingdom of Bahrain –
Invitation to Tender**

The Telecommunication Regulatory Authority (the “Authority”) hereby provides notice to members of the public, including those interested in participating in the referenced tender process, of a change in the Auction Timetable as set out in the Invitation to Tender (“ITT”) that was issued by the Authority on 28 January 2013 and subsequently revised by the Authority.

In accordance with Section 5.1 of the ITT, the Authority has decided to further amend the Auction Timetable and hereby postpones the Auction, including the submission of Pre-Qualification Documents, pending further notice.
